TERMS AND CONDITIONS

Purpose. The Conservation District has established this rental program to support the need of farmers to properly lime an fertilize fields to optimize yields and protect natural resources.

Assignment. The Lessee shall not sublet the Equipment to another party.

Care of Equipment. The Lessee shall use the Equipment in a careful and proper manner.

- **The Lessee agrees to abide by the manufacturer's guideline, safety procedures, protocols and recommendations.**
- **The Lessee agrees to follow all manufacturer's guidelines, warnings, and safety procedures for the use of equipment.**
- The Lessee shall notify the Lessor immediately when breakdowns occur and repairs are needed.
- The Lessee agrees to provide adequate cover to protect the Equipment when not in use during the rental period.
- A 1/2 ton or larger truck is required to transport the spreader **EMPTY**. Safety chains must be fastened to the trucks frame/hitch. Lessee to supply own hitch pin (1" x 8"). Cannot drive on interstate-highways. Must not drive over 25MPH.
- One set of hydraulic remotes is needed to operate the spreader.
- The Lessee must clean the equipment before returning. See Instructions for Use document.

Repair of Equipment. The Lessor shall be responsible for all regular maintenance and normal repairs of the Equipment.

Schedule. Scheduling is done on a first come first serve basis. The spreader is rented in 3-day blocks. A \$50 deposit along with the signed agreement form must be submitted before being put on the schedule. The deposit will be held if you do not complete the necessary paper work to schedule the machine and will be put toward Lessee's payment total on the final invoice. The Conservation District will make every effort to establish and hold to a schedule, but availability is not guaranteed at the agreed upon time especially if the unavailability is due to equipment breakdown, or other events beyond the district's control. Weather will be assessed, and the Lessee is asked to call the district if the return is after hours to confirm return date. A \$25 per day late equipment return fee will be added starting the 4th day.

Product. The district does not accept responsibility or liability for the outcome of the lime or fertilizer product application.

Loss and Damage to Equipment. The Lessee shall be responsible for loss or damage to the Equipment from any cause and agrees to return it to the Lessor in as good condition as when it was received, normal wear and tear excepted. The Lessee shall be responsible for the cost of repair or the cost of replacement for damaged Equipment at the Lessor's option. The Lessee will not install, without written consent of the Lessor, any accessories or devices on the equipment if such installation will impair the original intended function or use of the equipment. All accessories or devices will automatically become the property of the Lessor unless they can be removed without in any way affecting the originally intended function or use of the Equipment. Any damage to the equipment caused by the removal of such accessories or devices will be repaired at the Lessee's expense.

Lessor's Right of Inspection. The Lessor shall have the right at any time to enter the premises occupied by the Equipment to inspect the use and care of the Equipment. If the Lessor determines that the Equipment is not being cared for or used properly, the Lessor may remove the Equipment from the premises. The rental agreement will be terminated and the Lessee will pay the Conservation District all rentals due, damages to the equipment, legal expenses, cost of removal, freight, storage, transportation and other charges incurred in such removal and return to the Lessor at its place of business.

Liability and Indemnity for Personal Injuries and Property Damage. Liability for injury, disability, and death of Lessee and other persons and liability for damage to property, real or personal, caused by the operation, handling, or transportation of the Equipment during the rental period shall be assumed by the Lessee, and the Lessee shall indemnify the Lessor and hold the Lessor harmless against all such liability. The Lessee will carry at his own expense, public liability insurance with minimum liability limits in the amount of \$100,000 per person and \$300,000 per occurrence for bodily injury, including death, and in the minimum amount of \$50,000 per occurrence for property damage. The Conservation District and its assigns will not be held liable for any incidental or consequential damages which may result from any use or failure of the equipment.

Terms. Payment in full is due within 30 days from the time you are finished using the spreader. A late fee of 2% per month will be charged on the unpaid balance. For any reason that your check is returned to us the lessee will be charged a \$35 returned check fee plus any charges due from the bank that the district is assessed.
