

Keeping Pennsylvania's Natural Areas Clean and Beautiful!

Participate in Keep Pennsylvania Beautiful's PICK UP PENNSYLVANIA program from March 1 through May 31 and make a difference on our public lands. You can help by picking up any litter that you encounter while out fishing, boating or hiking in your favorite state park or forest or by organizing a cleanup of larger items that have been dumped illegally on our public lands. Keep Pennsylvania Beautiful partners with the Pennsylvania Department of Environmental Protection (PA DEP) and PennDOT to provide free trash bags, gloves and safety vests to registered participants, as supplies last. The PA DEP and Pennsylvania Waste Industries Association sponsors trash disposal, free or at a reduced cost, from **April 1 through April 30**. During this time, registered participants are eligible to take their trash to participating landfills with prior approval. Additional community improvement events can include community greening and beautification, special collections and anti-littering education events.
